

## Data sheet - FWP D3x18 SC FASTEKS® WELDING PINS

|                        |                                   |
|------------------------|-----------------------------------|
| Application            | Welding pins, capacitor discharge |
| Order description      | FWP D3x18 SC                      |
| Material               | Steel copper-coated               |
| d1                     | 3 mm                              |
| l                      | 18 mm                             |
| h<br>+/-<br>0.3        | 1.1 mm                            |
| minimum order quantity | 5.000                             |
| Additional types       | on request                        |
